By Joint Committee on Administrative Rules and Regulations

1-11

---

9 AN ACT concerning the carbon dioxide reduction act; pertaining to lia-  
10 bility of the state of Kansas; pertaining to rules and regulations; amend-  
11 ing K.S.A. 2009 Supp. 55-1636 and 55-1637 and repealing the existing  
12 sections.  
13

14 *Be it enacted by the Legislature of the State of Kansas:*

15 New Section 1. (a) Except as permitted by the Kansas tort claims  
16 act, no provision of this act shall establish or create or impose upon the  
17 commission, any agent or employee thereof, or the state of Kansas any  
18 liability or responsibility to pay any damages resulting from the leak or  
19 discharge of carbon dioxide from any carbon dioxide injection well or the  
20 underground storage of carbon dioxide.

21 (b) This section shall be supplemental to and a part of the carbon  
22 dioxide reduction act.

23 Sec. 2. K.S.A. 2009 Supp. 55-1636 is hereby amended to read as  
24 follows: 55-1636. K.S.A. 2009 Supp. 55-1636 through 55-1640, *section 1*,  
25 79-233 and 79-32,256, and amendments thereto, may be cited as the  
26 carbon dioxide reduction act.

27 Sec. 3. K.S.A. 2009 Supp. 55-1637 is hereby amended to read as  
28 follows: 55-1637. (a) As used in K.S.A. 2009 Supp. 55-1637 through 55-  
29 1640, and amendments thereto:

30 (1) "Carbon dioxide injection well" means any hole or penetration of  
31 the surface of the earth used to inject carbon dioxide for underground  
32 storage or for enhanced recovery of hydrocarbons and any associated  
33 machinery and equipment used for such injection of carbon dioxide. "Car-  
34 bon dioxide injection well" does not include underground storage.

35 (2) "Commission" means the state corporation commission.

36 (3) "Underground storage" means any underground formation where  
37 carbon dioxide is injected for sequestration.

38 (b) *Except as provided in subsection (h)*, for the purposes of protect-  
39 ing the health, safety and property of the people of the state, and pre-  
40 venting escape of carbon dioxide into the atmosphere and pollution of  
41 soil and surface and subsurface water detrimental to public health or to  
42 plant, animal and aquatic life, the commission, on or before July 1, 2008,  
43 shall adopt separate and specific rules and regulations establishing

1 requirements, procedures and standards for the safe and secure injection  
2 of carbon dioxide and maintenance of underground storage of carbon  
3 dioxide. Such rules and regulations shall include, but not be limited to:  
4 (1) Site selection criteria; (2) design and development criteria; (3) oper-  
5 ation criteria; (4) casing requirements; (5) monitoring and measurement  
6 requirements; (6) safety requirements, including public notification; (7)  
7 closure and abandonment requirements, including the financial require-  
8 ments of subsection (e); and (8) long-term monitoring.

9 (c) *Except as provided in subsection (h)*, the commission may adopt  
10 rules and regulations establishing fees for permitting, monitoring and in-  
11 specting operators of carbon dioxide injection wells and underground  
12 storage. Fees collected by the commission under this subsection shall be  
13 remitted by the commission to the state treasurer in accordance with the  
14 provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of  
15 each such remittance, the state treasurer shall deposit the entire amount  
16 in the state treasury and credit it to the carbon dioxide injection well and  
17 underground storage fund.

18 (d) The commission or the commission's duly authorized represen-  
19 tative may impose on any holder of a permit issued pursuant to this sec-  
20 tion such requirements relating to inspecting, monitoring, investigating,  
21 recording and reporting as the commission or representative deems nec-  
22 essary to administer the provisions of this section and rules and regula-  
23 tions adopted hereunder.

24 (e) Any company or operator receiving a permit under the provisions  
25 of this act shall demonstrate annually to the commission evidence, satis-  
26 factory to the commission, that the permit holder has financial ability to  
27 cover the cost of closure of the permitted facility as required by the  
28 commission.

29 (f) The commission may enter into contracts for services from con-  
30 sultants and other experts for the purposes of assisting in the drafting of  
31 rules and regulations pursuant to this section.

32 (g) Rules and regulations adopted under this act shall apply to any  
33 carbon dioxide injection well or underground storage, whether in exist-  
34 tence on the effective date of this act or thereafter.

35 (h) *No rule and regulation adopted under the provisions of this sec-*  
36 *tion shall create or impose upon the commission, any agent or employee*  
37 *thereof or the state of Kansas any liability for the underground storage of*  
38 *carbon dioxide or the maintenance of any carbon dioxide injection well*  
39 *or underground storage of carbon dioxide except as permitted by the*  
40 *Kansas tort claims act. From and after July 1, 2010, any requirement in*  
41 *any rule and regulation adopted by the commission which conflicts with*  
42 *the prohibition prescribed in this section shall be null and void.*

43 Sec. 4. K.S.A. 2009 Supp. 55-1636 and 55-1637 are hereby repealed.

1     Sec. 5. This act shall take effect and be in force from and after its  
2     publication in the statute book.
